Volunteer

Good Apple
Corps

As a volunteer for Nutrition & Services for Seniors you will be providing an invaluable support system for the seniors in Jefferson and Hardin counties. Being a part of the Good Apple Corps will help seniors remain in their own homes and avoid unnecessary and unwanted institutionalization.

Volunteers deliver 23% of the total homebound meals we prepare daily. Without these much needed individuals, approximately 61,800 meals would not be made available for hungry seniors.

Volunteers transporting meals help to stretch funds so that we continue to expand to meet a growing need. More volunteers allow more people to have a meal who are now going hungry. A volunteer may be the only person the home-bound talk to that day. One hour per month of your time will meet their need.
